(5) Failing to comply with any of the requirements of subsection (3) above within three (3) days of being declared a selected entrant, declining a Contest Prize, failing to answer the mathematical skill-testing question correctly, or failing to authorize and/or submit all documentation necessary to complete a confidential background check will cause the Grand Prize, Subsidiary Prize or the Attendance Prize, as the case may be, to be forfeited and a new random draw from the remaining eligible entries will be conducted to select another entry and the process noted above will be repeated until a winner is declared or there are no more eligible entries, whichever comes first.
